## Easter 2024 A Message from Bishop Laurie Rummaging for God

*Christ is Risen! He is Risen indeed. Alleluia!*

Does your house have a junk drawer? Do you ever find yourself going through this drawer full of stuff; feeling around looking for something that you are sure must be in there somewhere? Twist ties from bread wrappers, pens, batteries, rubber bands, nail clippers, scissors, matches, superglue, glass cleaner, coins, tiny screwdriver, ChapStick, charger cables, sticky notes... Rummaging around in your junk drawer might seem like a strange illustration for an Easter message, but I invite you to consider your memory of past life events as your junk drawer.

Think back on last year's Easter celebration. What do you remember? Rummage around in those memories to see if you can find God. You are pretty sure God is there somewhere but where? Where did you experience God last Easter? Was it in church, at the sunrise service, a sermon, a Bible reading, a hymn, an Easter egg hunt in the park, a gathering with family or friends, or a walk in the woods later that day? How did you experience God and the miracle of Christ's resurrection last Easter? Now, think back over your lifetime, a lifetime of Easter celebrations, for me that 66 Easters. Where did you see or experience God and the power of the resurrection, God's transforming love that defeated death and gives new life?

Looking back over a day, a year, a lifetime is a spiritual practice called the Examen<sup>1</sup>. Essentially it is rummaging through our memories, looking for when and how God was present. The Examen is a form of daily prayer that invites us to examine our day to find God. Finding God in all things and at all times gives us the strength for that next most faithful step.

I wondered what must have been going through Mary Magdalene's mind as she walked to the tomb that first Easter morning. Was she rummaging through all the memories of her time walking with Jesus? Was she trying to remember every word Jesus said? Was she looking for a clue, some way to make sense of what happened on Friday? Where was God in all of this? How could this possibly bring in God's kingdom? She must have missed something. She saw him die. How could Jesus' death be part of God's plan?

Mary arrived at the tomb and found the stone rolled away. She didn't find what she was looking for. The body wasn't there. It still made no sense. Did someone steal his body? She knows that God is in all of this, but where? She continues to search with Peter and John and finally after they leave she enters the tomb and through her tears sees the angels and then a gardener, but not a gardener but the teacher, the risen Savior; and finally through her tears she sees God. (John 20)

*John 20:11 But Mary stood weeping outside the tomb. As she wept, she bent over to*

Look back over a day, a year, a lifetime of trips you've made to some tomb. Was it the place that held the body of loved one, a dream that had died, a relationship that ended, or a hope that had been crushed? Rummage around in those memories to find what you know is there somewhere, God. Through the tears see the angels, the messengers; the ordinary people, those who helped you and see God!

Dear Friends, I invite you to rummage through all the memories in the junk drawer of life and find God. Think back over a lifetime, a lifetime of trips to the tomb and Easter celebrations. See God and the power of the resurrection. See God's transforming love that defeated death and gives new life. May seeing God in all of life give you the courage and strength to take your next most faithful step.

*Rev. Laurie M. Johnson*

In the latest Justice Newsletter from the Synod an article was published about OSL becoming an RIC congregation. The article is printed in its entirety below.

## OUR SAVIOR'S VOTES TO BECOME RIC BY BISHOP LAURIE SKOWA NDERSON

On Sunday, February 18, 2024, Our Saviors Lutheran Church of Menomonie voted unanimously to become a Reconciling in Christ (RIC) [1] congregation and approved their new welcome statement. This is remarkable because nearly 15 years earlier the issue of welcoming the LGBTQIA community had been at the heart of a deep division within the congregation. Pastor Heather Wigdahl and Pastor Sarah Miller began the conversation about creating a wider welcome with the congregation in November 2019 but then the pandemic hit and the conversation was put on hold.

Before the pandemic they had conversations with OSLC members who were a part of the LGBTQIA community and the church council about the process. Both pastors participated in the Building an Inclusive Community (BIC) [2] workshop through Reconciling Works.

In June of 2023 they again reached out to key members of the church and LGBTQIA community, led a book study, One Coin Found, by Emma Kegler; and a Bible Study, Interpreting Scripture, a resource from Reconciling Works that focused on the “clobber verses” in the Bible. The key to the process was that they took time to answer the questions on people’s minds and created a safe space for those questions to be asked. They provided multiple opportunities formal and informal, large and small groups to discuss questions. They formed a team of people to work on creating a welcome statement and an adult forum to discuss the statement, which received much affirmation. The congregation posted a pride flag on their electronic outdoor sign in June. The sign received some negative comments from non-members but not members. The process to become an RIC was led by both the pastors and lay leaders of the congregation.

It is important to note that some of the RIC work began in 2015 after the state of Wisconsin legalized the marriage of gay and lesbian couples. Shortly after that OSLC approved weddings of gay couples. At the 2021 synod assembly a resolution encouraging congregations to have conversations about “creating a wider welcome” was passed. The goal of this resolution was that 25% of the congregations in the NWSWI would be RIC by 2024.[3]

Our synod is in the process to become an RIC Synod[4]! The committee is forming and they are beginning their work. Hopefully they will bring a welcome statement to the 2025 synod assembly. Please keep them in your prayers as together we do work to create a wider welcome for all of God’s children. For more information about the RIC process for your congregation or our synod please contact Pastor Sara Bishop or Deacon David Behling.
